

Alex Zermeno is 1957-58 President Of Hartnell Associated Student Body

By JOAN BLACKLOCK

Alex Zermeno was elected president of the Associated Student Body for the 1957-58 school year in the election held March 25 and 26. A total of 280 votes were cast for Zermeno, 119 for his opponent, Birk Triplette.

The newly-elected president, a Salinas resident and graduate of Salinas Union High School, is a criminology major. He is a member of the Community Service Organization and has served as a delegate to the California Youth Conference in Sacramento.

Parking Fines To Be Levied

The Student Commission appointed a committee Tuesday to issue parking tickets to violators of campus parking regulations.

A fine of \$1 will be imposed by the Student Court for the first violation, with the fine being increased by one dollar for each additional offense. Grades of violators will be withheld and a note included in the student's transcript until the fine is paid.

The committee: Charles Baymiller, chairman; Terry Wallace, Rosemarie Clampitt, Everett Alvarez and Cruz Martinez.

Hungarian Women Arrive On Campus

Two Hungarian refugees, Olga and Maria Kricsfalussy sisters, have arrived to begin new lives in the Salinas community with their adopted parents, Mr. and Mrs. Arthur J. Moodie, 29 Paseo Hermoso, and their new "sister," Cynthia Moodie, a sophomore at Hartnell, and "brother," Jack.

The two young women were brought to Salinas through the initial efforts of the International Club, which also sponsored the three Hungarian men who are now attending Hartnell.

Olga and Maria Kricsfalussy, who traveled by train, were met at the Monterey railroad station Friday morning by the Moodies and Dr. Howard Braverman, Hartnell faculty member, who served as interpreter in German.

Olga, who is 19 years old, will attend Hartnell. Maria, 17, will be a student at Salinas Union High School. Their comment is, "Everything is beautiful in America!"

Cynthia Moodie, speaking for her parents and herself, said, "We are very glad to have them."

Groups Planning Joint Trip to San Francisco

Plans for the Alpha Gamma Sigma, honor society, and California history class joint field trip were altered at a committee meeting last week. The date of the San Francisco trip has been changed to Thursday, April 11. It was originally planned for April 9.

Unable to visit the radiation laboratory at the University of California at Berkeley, the group is making arrangements to go to the Federal Reserve Bank in San Francisco.

Wells Fargo Historical Room is still on the trip schedule. However, the students will see the Cinema production, "Seven Wonders

of the World," instead of "Around the World in 80 Days."

Plans have been made for the group to have dinner at Schroeder's, a restaurant in San Francisco where German food is served.

To serve as secretary is Barbara Pedevilla. She was unopposed on the ballot and received 297 votes. A business major, Miss Pedevilla, a graduate of King City High School, lives in Greenfield.

Serving as yell leader will be Erica Rossi of Gilroy. She was elected over Suzanne Foster, 186 to 141. Miss Rossi, a graduate of James Lick High School in San Jose, is a music education major.

Jack Dunstan of Salinas, unopposed for his office, was elected sophomore representative with 308 votes. A Salinas Union High School

Club Has Raffle For Hungarians

The Engineers' Club raised \$82.25 from its raffle ticket sales to help bring two Hungarian girls to Hartnell.

Members sold tickets for a raffle drawing, which was held Tuesday, April 2, in the Little Theatre. Joan Gelzinnus was the winner of a radio, the raffle prize.

The funds from the raffle ticket sale will be used to help supply each of the Hungarian students, the three boys who are already here and the two girls who have just arrived, with \$150 per semester.

Each school organization initiated its own fund-raising drive during the recent week-long campaign sponsored by the Interclub Council.

of the World," instead of "Around the World in 80 Days."

Plans have been made for the group to have dinner at Schroeder's, a restaurant in San Francisco where German food is served.

PANTHER SENTINEL

Volume XXVI Hartnell College, Salinas, Calif., Friday, April 5, 1957

Number 13

A Cappella Choir In Assembly Here

The A Cappella Choir from College of Pacific will present a varied selection of songs today during the College Hour in the men's gymnasium.

The choir, under the direction of J. Russell Bodley, will sing sacred songs, Brazilian folk songs, spirituals, and a few songs that were written by Debussy and lyricized by Charles D'Orleans.

The group that will entertain here at Hartnell consists of 38 members. This group has a wide reputation for entertaining performances.

INTRODUCING CAMPUS-SCOPE

In this issue the Panther Sentinel is introducing a new column, "Campus-Scope." The new feature, which can be found on page three, is originated by Ron Zils, staff member.

"Campus-Scope" is designed to bring to you, the college reader, opinions expressed by your friends and classmates on controversial questions, timely topics, and subjects of interest.

When you are approached by a roving reporter for "Campus-Scope," we hope you will tell us what you think.

"Panther's Claw" by Roy Bayford will no longer appear in the Panther Sentinel. Due to the time required for his academic work, Bayford is unable to continue his column. We, the staff, wish to commend Roy for the fine job he has done in writing "Panther's Claw."

'Trysting Place' Goes on TV Sunday; Second in Series by Local Players

By FRANK INDERBITZIN

The College-Community Players will present their second television production, "The Trysting Place," over KSBW-TV on Sunday afternoon, April 7, at 3 p.m. A farce comedy by Booth Tarkington, the play will be produced under the direction of Hal Ulrich, Hartnell drama coach.

The play takes place in an outer room of a large resort hotel in the 1930's. The story revolves around several couples who are trying to be alone to discuss their romantic problems in this hidden-away room, but everyone else seems to have the same idea. All this results in one of the most hilarious comedies that Mr. Ulrich has ever presented.

The cast has been rehearsing the show for over a month and is confident of giving a professional performance. Final dress rehearsals are being moved to the studios tomorrow, so all last-minute camera angles may be checked.

On television all action requires fast coordination and perfect timing, and as the camera picks up the smallest of details, everything must be worked out perfectly.

"The Trysting Place" will be the last television show for the school year, although another is planned for next fall. The first television play was "Everyman," presented during the Christmas season.

The entire cast of "The Trysting Place" is composed of veterans of the College-Community Players, many of whom have had experience in television work.

As "Jessie Riggs," Marion Lewis gets her first romantic lead and handles it in the fine tradition she has established in her past performances.

Rock Tomasi plays the delightful part of "Lancelot Briggs." This is (Continued on Page 5)

JAZZ-MODERNE

By BOB SCAGLIOTTI

What is progressive jazz? Does Count Basie or Stan Kenton play progressive jazz? Is it Oscar Peterson or Dizzy Gillespie who is responsible for this style? These are questions which have confronted me these past few months and leaves me no nearer the answer than when I first started listening to jazz a few short years ago. Besides my ineptness to arrive at a suitable definition and example of this same term I have also been aware of the gross misuse of "progressive jazz" by many people.

They classify most anything from a Clyde McCoy trumpet style to a honking tenor saxophone or "swing" piano player as "real progressive, man." Another misnomer heard occasionally is used when a composition, not always jazz but nevertheless utilizing jazz coloring, seems to be more than a particular listener can grasp, this also is "real progressive, man." He may not like it but he wouldn't be hip if he didn't dig those real progressive changes.

Although I am probably wrong the term most likely was used to describe the era of be-bop whose wailing of Charley Parker, Bud Powell and Dizzy led the progressives away from the swing era, but more recently "Progressive Jazz" denotes musicians of the "cool school" who blow in their Brooks Bros. suits and facial expressions void of any apparent emotion. But this is all conjecture on my part for I am completely in the dark and I would appreciate any comments from anyone who would care to write me in care of the Hartnell journalism department.

* * *

The date for the Errol Garner concert at the Sunset Auditorium in Carmel is April 15. This will be his first appearance in Carmel this year, and if previous performances are any indication of what can be expected, this concert is a must. I have been to both of his concerts in Carmel and through Garner's fine playing and clever wit I have become an avid Errol Garner fan.

Among Garner's latest recordings is the "Concert by the Sea," a long-playing album of the Carmel concert he gave last year at the Sunset Auditorium. This album is one of the largest selling albums in the States today.

Hartnell Women Play Monterey

By JOAN BLACKLOCK

The Women's Athletic Association traveled to Monterey on March 30 to participate in a play day with Monterey Peninsula College W.A.A. The Hartnell group's overall score was six while Monterey's was four.

Tennis and basketball were played from 9:30 to 11:00, volleyball games from 11:00 to 12:30.

Mitzi Oka, Mylene Fisher, and Loretta Phelps won their tennis singles games. Rosalie Mascovich also competed, but lost.

Susan Cassady and Betty Wolcott won a tennis doubles game, while Jean Johnson and Lillian Stice lost to Monterey.

The Goofers basketball team won 22-21. A tie was played off in a two-minute time period after the game, with Mary Derichsweiler making the winning basket. Lorene Calub was captain; others on the team were Peggy Barnwell, Lillie Vasquez, Virginia Gallardo, Mary Derichsweiler and Barbara Pedrazzi.

The second basketball team lost its game, 22-14. Barbara Pedrazzi was captain and members of the team were Barbara Boutte, Edna Speckman, Sally Miljark, Peggy Barnwell, Mary Derichsweiler, Lillie Vasquez, and Virginia Gallardo.

Members of the first volleyball team were Peggy Barnwell, Mary Derichsweiler, Lillie Vasquez, Loretta Phelps, Virginia Gallardo, Sue

Giacamazzi, Sue Cassady, and Rosalie Mascovich. They won 37-17.

Barbara Boutte, Sally Miljark, Gail Sorenson, Barbara Pedrazzi, Edna Speckman, and Nancy Herman were on the other volleyball team which lost to Monterey.

Lorell McCann Directs Hartnell College Band In Concert Assembly

The Hartnell College band presented a "pop" concert in the Little Theatre on Friday, March 29.

Lorell McCann, college music instructor, conducted the band in nine musical arrangements. President of the band is Walter Dodd.

The band and Mr. McCann were presented to the audience by Gus Andersen, ASB president.

Business Majors Have Assembly

Business students and one o'clock business classes attended an assembly on March 26 in the Little Theatre to see a motion picture and to sign up for a field trip to San Francisco.

Bank of America Awards

At the assembly an announcement was made about the Bank of America awards for outstanding business students. The two annual junior college awards will be made to selected Hartnell students majoring in banking or business administration and secretarial or clerical courses.

A certificate of recognition and a cash award of \$100 will be given to each winner at a junior college business awards dinner to be held early in June.

San Francisco Trip

The field trip sponsored by the Hartnell Business Club was taken on Tuesday, April 2, to the Pacific Telephone and Telegraph Company in San Francisco. The business students toured the office building, and lunch was provided free by the company. After visiting the telephone and telegraph company, the group toured the Federal Building.

On the field trip, students were given the opportunity to observe actual business practices in operation and to obtain a better idea of the various functions in offices of a major concern.

Office Machines Movie

The motion picture shown at the assembly was produced by the

Engineering Students Journey to Visit San Ardo Oil Fields

Approximately 40 Hartnell engineering students toured the San Ardo oil fields as guests of the General Petroleum Company on Thursday, March 28.

Mr. Stump, in charge of General Petroleum's operations in San Ardo, and his staff of engineers and geologists gave explanations and answered questions pertaining to every phase of the procedure.

The students were told that the biggest problem in the drilling operation is the amount of salt water (approximately half) that is pumped up with the oil.

Vincent Anselmo acted as adviser to the group on the trip.

National Office Management Association and told of the latest developments in office machines.

The movie gave the business students an idea of the modern business machines which will save labor and cost.

Albert Tsing Comes to U.S. For College Education

By SANDRA LIM

A dream finally realized was that of Albert Tsing when he touched United States soil at the San Francisco International Airport on September 8, 1956.

Albert Tsing, from Hong Kong, applied two years ago for a student visa. With various obstacles he was detained before being granted permission to attend school in the United States.

Hartnell was Albert's choice of a college and also that of his two brothers who were former Hartnell students.

Albert is yet undecided on a major. He would like to specialize either in accountancy or veterinary science. After graduation from Hartnell, Albert plans to complete his education at the University of California at Berkeley, or at the University of Illinois.

Fortunate American Students
"The American student should feel grateful at being able to ob-

tain a higher education," comments Albert. In Hong Kong many students who want to attend a college or university upon high school graduation are not able to do so. Yet, it is almost essential to attend college in order to earn a high enough salary for a good standard of living.

Only a select number are admitted to the one university in Hong Kong, following rigid entrance examinations. In preparation for the university one must spend two years in matriculation classes.

Modern Hong Kong

According to Albert, some Americans have the impression that Hong Kong is not a progressive state. "Hong Kong is more modern than people realize," says Albert. Living standards are quite high, with modern buildings and only a few wooden shacks.

Many American and foreign products are sold in the markets of Hong Kong. The sale prices of goods in this modern city of the East are comparatively lower than those in the United States. For example, in Hong Kong one may purchase for \$40 a man's tailored suit that would cost \$100 in the United States.

Albert Finds Differences

"In America a person is 'one-legged' without a car!" Albert exclaims. In the United States a car is necessary just to travel around town. One does not have much need for an automobile in crowded Hong Kong, with its 391 square miles and 3,000,000 inhabitants.

The active role that American people play in their government impressed Albert. In Hong Kong, government affairs are left almost entirely to the British who control the city. The people have no de-

sire to participate in government activities.

Albert's Family

Albert Tsing's family consists of his retired parents in Hong Kong, five brothers and two sisters. A brother and a sister are attending school in England.

Albert is looking forward to his stay in the United States. He is pleased with the friendliness of the American people and hopes to return to his country endowed with a college education and a knowledge of the American way of life.

Former Hartnell ASB President Employed by IBM in San Jose

Rene Eris, 1955-56 Associated Student Body president at Hartnell,

tacted him for an interview, which later led to his present job.

Louis Eris, Hartnell faculty member and father of Rene, said that all reports from his son indicate that he is very happy with his new position.

STORY TELLER

Rosemarie Clampitt, speech and drama major, who tells stories on KSBW radio on Saturday afternoons at 5:15, is popular with the younger set for her characterizations of story people and animals.

See what happens...

Switch to Shell!

Before TCP... The car above was bought brand new and driven about 3000 miles on a competitive premium gasoline. Then its rate of acceleration was checked by radar. The pick-up was poor because of engine deposits, which caused the spark plugs to "miss."

After TCP... The same car now performs after it has been run on a few tankfuls of Shell Premium with TCP*, which overcomes engine deposits. Radar checks on this and other cars showed in most cases a 6 to 18% increase in pick-up after TCP additive had overcome pre-firing and spark plug "miss."

Counseling Positions Available For Qualified Hartnell Women

By JOAN BLACKLOCK

Counseling positions are open for Hartnell women at Camp Cawatre, announced Mrs. Dorothy Middaugh, Hartnell physical education instructor. The camp is at Arroyo Seco, and the camp period is from June 24 to July 21.

Mrs. Middaugh stressed that being a camp counselor is a "marvelous opportunity for on-the-job training, valuable experience for anyone going into teaching, and an excellent reference for any future job."

Six types of jobs are open. The position of unit leader pays \$90 for the month's work. Qualifications include being a college graduate or equivalent and being at least 21 years old. The unit leader coordinates activities for a unit of 20 girls.

The assistant unit leader receives a salary of \$60. She must have had one year of college and be 18 years old. Her duties are similar to those of the unit leader.

The waterfront director plans and carries out all waterfront activities. She must be 21 years old and have a current Red Cross Water Safety Instructor certificate. Her salary is \$150.

Working with the waterfront director is an assistant. Her qualifications include a current Red Cross Senior Life Saving certificate

and minimum age of 18 years. She receives \$90.

The crafts consultant must be 19 years old, have had two years of college, and be skilled in crafts. She plans the crafts program and takes care of materials and equipment. She earns \$90 for the month.

Also open is the position of health supervisor. She must be a registered professional nurse. Her duties include caring for the physical well-being of everyone in camp and preparing first aid equipment for trips. She receives a \$250 salary.

Anyone interested in applying for a position at Camp Cawatre should contact Mrs. Middaugh.

Chop Sticks, Muk Tuks Tied in Softball

The Chopsticks and Muk Tuks are currently tied for the co-educational softball league lead. Both teams have won four contests and lost only one.

The Chop Sticks are managed by George Andrade and the Muk Tuks are run by Hank Dacuyan. Both managers are predicting the championship for their personal squads. Experts rate the league a toss-up.

Today's high-powered, high-compression engines are really rarin' to go, but they're especially sensitive to engine deposits.

Within about 3500 miles these deposits can short-circuit your spark plugs—causing them to "miss." The result: power loss. Your almost new engine has lost its fine edge.

The picture above of a radar-clock acceleration test shows how TCP additive restores this lost power, delivering up to 18% faster acceleration—"pick-up" that even

the most careful driver sometimes needs for safety.

Try Shell Premium with TCP and re-power your car while you drive. See your Shell Dealer.

*Shell's Trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

Amyx Paintings On Exhibition

Twenty watercolors by Leon Amyx, Hartnell art instructor, are on exhibit from April 1 to April 27 in the Reserve Book Room of the San Jose State College library.

Beginning May 1, they will be included in an invitational exhibition representing California artists, as part of San Jose State's centennial celebration.

Mr. Amyx is a member of San Francisco Art Association, Carmel Art Association and the California Watercolor Society. He has had one-man shows in Carmel, San Jose and Claremont and is frequently represented in group art exhibitions throughout the state.

Baseball Team Has 20 Remaining Games

The baseball team has a total of 20 games remaining on the 1957 schedule.

The Panthers will face a slate of nine Coast Conference encounters before the season is terminated.

Local Thinclads Take Second Place In Five-Way Track Meet at Stanford

The Hartnell thincards garnered 46½ points to place second to a powerful Stanford frosh team with 65½ points, and well ahead of East Contra Costa with 24 points, San Jose Frosh with 14¾ points and Monterey Peninsula College with

Hartnell Golf Team Loses to San Jose JC, Plays Again Today

By RALPH WINTER

The Hartnell golf team played a match against San Jose J.C. at La Rinconada links in San Jose on April 1. Hartnell lost the match, but as Coach Ken Blue pointed out, the score could have gone either way.

Hartnell previously had been beaten by CCE in two matches.

The match with the San Jose team went as follows: (1) Chris Sgambati (SJ) tied Danny Hiura (H), 1½ - 1½; (2) Jerry Schwindinger (SJ) d. Dick Smith (H), 3-0; (3) Bill Devenney (SJ) d. Ron Leonti (H), 2-1; (4) Gordon Peffley (SJ) d. Jack Wilkinson (H), 2-1; Dick Little (SJ) d. Bob Scagliotti (H), 3-0.

The final score of the match was 11½ - 3½.

The Hartnell golf squad will play the San Jose team again today, with the teeing-off to be done at 3 p.m. at the Salinas Country Club.

Golf Schedule Now Under Way

The golf team, coached by Ken Blue, has several more matches yet to be played.

They are:

- April 5, San Jose, here
- April 9, MPC, here
- April 12, MPC, Del Monte
- April 25, Monterey High, Monterey Peninsula
- April 26, Northern California Intercollegiates at Pasatiempo, Santa Cruz
- April 29, Menlo, Stanford
- May 3, Menlo, here
- May 6, San Jose State Frosh, San Jose
- Carmel, Pebble Beach
- Monterey High, Monterey
- May 16 and 17, Conference Tournament, Monterey
- May 20, State Tournament, San Diego

COVER GIRL

Cover girl for the Feb. 1957 "Philippines Panorama" is Carlina Galicia, sophomore business education major. Miss Galicia was 1955 Cinderella Queen of the Salinas rodeo. The "Philippines Panorama" may be found in the school library.

Jeanne Adams Engaged to Wed

Engagement of Jeanne Adams to Don Miles, son of Mr. and Mrs. Art Miles of Salinas, has been announced informally by her parents, Mr. and Mrs. Fred Adams of Salinas.

Miss Adams, a graduate of Salinas Union High School, is now attending Hartnell College, where she is an elementary education major. She plans to continue her education at San Jose State this coming fall. Her future husband is a graduate of Hartnell College and is employed by the Pacific Telephone and Telegraph Company in Salinas.

Wedding plans are indefinite.

Swimming Team Begins Season

April 2—The Hartnell College swimming team will enter its first meet on Wednesday, April 3. It will meet Monterey Peninsula College at the Carmel High School pool.

The team, which has been working out for about a month, has two more meets scheduled. One is with Menlo on Monday, April 8, at Menlo.

The final meet, which is a conference affair, will be held at Menlo on April 13.

ECC Falls 72-50 On Local Track

The Hartnell tracksters swept to an easy 72-50 point victory over a game East Contra Costa JC team in a dual practice meet here March 22.

The Panthers piled up points by taking all three places in the 100-yard dash, pole vault and broad jump events.

Local men placing in the various events were:

- 100 Yard Dash: Perez 2nd place
- High Hurdles: Ross 4th place
- 220-Yard Dash: McDowell 3rd place
- Low Hurdles: Pittman 2nd place; Dunson 4th place
- High Jump: Bass 3rd place, Wallace 4th place
- Broad Jump: McDowell 2nd place, Ross 3rd; Pittman 4th

A La Reata Next Year?

After discussing the apparent lack of interest in a yearbook at Hartnell, the Student Council has decided to put the matter to a vote. Whether or not the high price of publishing such a book should be budgeted for next year is a matter which needs to be decided now.

Details of the voting will be announced at today's assembly.

Tracksters Entered In Nine More Meets

Ed Adams' tracksters are entered in some nine track meets for the remainder of the spring season. The Hartnell team is a fairly strong one and is predicted by Adams to win the Coast Conference.

Six Matches Remain On Tennis Slate

The tennis team has six matches left on its schedule. Tomorrow, April 6, the team plays Monterey here.

On April 13, CCE will visit Hartnell for a match, then journey to Menlo on April 27.

May 3-4 are the dates set for the conference tournament to be held in San Jose.

The Northern Section (Visalia, College of Sequoia, and Hartnell) meet will be held on May 10-11 at Visalia.

The state tournament will be held at S.F. City College on May 17-18.

high hurdles, Dunson 1st place; 880-yard run, Kennedy 2nd place; and high jump, Ross 1st, Bass 2nd place.

220-yard dash, McDowell 1st, Perez 2nd place; broad jump, McDowell 1st, Ross 2nd, Pittman 3rd place; 2-mile run, Harris 1st place; low hurdles, Pittman 1st, Dunson 3rd place; and discus, Anderson 3rd place.

The Hartnell team failed to garner points in only one event, which was the relay.

Girl Scout Summer Camp Jobs Open for College Women

College women looking for summer jobs which combine scholastic value with opportunities for outdoor living may be interested in the thousands of openings awaiting them in Girl Scout camps.

These camps give college women a chance to live, work and play with girls of different backgrounds, in the relaxed, informal atmosphere of the outdoors. Working at a Girl Scout camp furnishes a practical background for future participation in the growing school camp program. School systems regard it as a most desirable type of experience in candidates for all teaching positions.

Particularly needed are counselors to live and work with girls in the partnership which marks Girl Scout adult-child relationships. Previous camping experience is help-

ful. Among the basic requirements are good health, enthusiasm, patience, adaptability and love of children.

For students 21 or older, there are numerous openings for unit leaders. Unit counselors and assistant waterfront directors with the required experience may be as young as 18.

Salaries vary with the assignment and the candidate's experience, qualifications and training. A basic pre-camp training session of about five days' duration is provided for all staff members.

College women interested in spending a summer near home that combines outdoor living with professional preparation should consult Mrs. Ann Harper of the Hartnell College placement office.

Campus-Scope

By RON ZILS

Campus-Scope is the newest addition to the pages of the Panther Sentinel and will appear from time to time for the purpose of presenting the opinions of Hartnell students on controversial questions.

The question for this week is: DO YOU THINK CALIFORNIA SHOULD DO AWAY WITH CAPITAL PUNISHMENT? WHY?

Audrey Ash, elementary education major from Santa Cruz: Yes! It is not up to an earthly power to impose such a punishment.

Mineo Sakasegawa, social science major from Salinas: No, if they are going to base their decisions on concrete evidence; but yes, if it is going to be like that Burton Abbott case.

Jim Vail, engineering major from Santa Cruz: Yes! I don't really have a reason, but I didn't want to see that Abbott guy get killed.

Yvonne Fisher, engineering major from Santa Cruz: Yes! I don't believe in it (capital punishment), and I don't feel that the state should have the right to take any man's life.

Jim Buehler, business major from Salinas: No! Because statistics show that on the average there would be an increase in those crimes punishable by death.

Dorothy Shoop, from Salinas: Yes! It is not bettering humanity or social order, and it is certainly not deterring others from committing crimes punishable by death.

George Stewart, business major from King City: Yes! I don't believe you should take a life for a life. We are supposed to abide by the laws of God, and capital punishment is contrary to those laws.

graduate, Dunstan is now serving as freshman representative on the Commission and as chief justice of the student Supreme Court.

Bob Day, unopposed, was elected with 318 votes for Associated Men Students' president. Day, a Salinas resident, plans to be a photographer and naturalist.

Social activities chairman will be Sandy Epperson. The only candidate for this office, she received 311 votes. Miss Epperson, an education major, is a Palma High School graduate.

A total of 331 ballots was cast in the two-day election conducted by the Student Body election committee. Campaign week, March 18-22, was climaxed by an election assembly where the candidates presented their platforms.

At the election assembly, Stuart Dufour, Hartnell College president, stressed the financial and leadership responsibilities of those to be elected. They will have control of about \$20,000, plus the managing of a \$25,000 bookstore business. They are also largely responsible for the yearbook, Panther Sentinel, Student Union, and various other activities.

Mr. Dufour said the faculty and administration prefer to have the students run these things if they

HC Baseball Team Plays Jags Tomorrow

Hartnell's baseball team will travel to San Jose tomorrow morning for a Coast Conference double-header with the San Jose Junior College Jaguars. Game times are slated for 11 a.m. and 2 p.m. at the SJJC baseball diamond.

PANTHER STARTERS

Coach Jess Regli is expected to keep third baseman Merwin Kehl out of competition again this week as the result of an injured thumb. To compensate for the loss of Kehl, Regli will shift second baseman Frankie Padilla to the third sack and pull catcher Augie Scornaienchi out to the keystone.

Replacing Scornaienchi at the backstop is reserve catcher Ron Garten. Garten has shown well in the last few games and is considered to be an able replacement.

The remainder of the starting nine will be as before, with Art Lopez, Dave Castro, and Fred Gonzales in the outfield, Ted Stacey as shortstop and Joe Jellison at first base.

Regli has yet to hand out the starting pitching assignment, but it will be one of three men. Vying for the spot are Jesse Dominguez, Ron Garvis and Bill Beretta.

SJ TEAM

As usual, fans can expect San Jose to come up with a strong team. Heading the Jaguar list of outstanding ball players is all-Coast Conference catcher Pete Palma and his Brother, Joe Palma. Joe Palma will be stationed at the second base and will work double plays with former all-SCVAL shortstop Jerry Sutton.

At first base the Fred Silva coached Jaguars will have Jack Conway. On third will be Manny Serreno and in the outfield Silva will play Joe Gonzales, Emmet Wilson, and Larry Fivecoat.

As an over-all record the Jaguars have won seven games and lost eight. In league play the San Joseans have won one and lost one.

AUGIE SCORNAIENCHI

but according to the SJJC Athletic Department, "Coach Silva thinks he has a fine ball club."

The ten top hitters are as follows:

Player	AB	R	H	Ave.
Scornaienchi	18	10	11	.611
Gonzales	7	3	3	.428
Lopez	23	5	9	.391
Jellison	24	10	9	.375
Garvis	11	4	4	.363
Stacey	26	5	7	.269
Castro	28	9	7	.250
Garten	12	3	3	.250
Padilla	25	6	6	.240
Hildner	10	3	2	.200

Harts Take Three Games, Lose In One

March 23—Hartnell's Panthers split their Coast Conference openers with MPC on the college diamond by losing the first game 14 to 6 and winning the second one 12 to 4.

Ron Garvis took the victory in allowing four runs on a total of nine hits in the seven-inning second game.

Receiving the first game loss was Jesse Dominguez, who left the ball game in the sixth frame. Dominguez was touched for 10 hits and 11 runs by the conquering Lobos.

First baseman Joe Jellison led the Panthers in the first encounter with a pair of triples.

In the second meeting, Jellison slapped out a home run. Art Lopez collected three hits in the same number of times to the plate and Augie Scornaienchi came through with two for two.

March 26—Pitchers Ron Garvis and Jesse Dominguez teamed up to down the San Jose State Frosh 9 to 7 in a contest played in San Jose.

Outfielder Fred Gonzales tied the game at 7-all in the eighth inning. Hartnell then went on to win the contest on a series of walks and errors by the freshman team.

Dominguez was the winning pitcher after coming in to relieve the shaky Garvis in the fifth frame.

March 30—Hartnell barely squeezed by a tough Parks AFB nine 8 to 7 in a home contest, with the win going to Jesse Dominguez.

Reserve second baseman Aubrey Woods assumed the hero's role by laying down a perfect bunt in the last of the ninth inning to squeeze in Ted Stacey and the ball game.

The win gives Jess Regli's protégés six victories to two losses for their season record to date.

TENNIS TEAM WINS AGAINST SAN JOSE

By RALPH WINTER

Hartnell's tennis team, coached by G. Darwin Peavy, has won all its matches except one. The match the racket squad lost was with the San Jose State Frosh.

The last match played was against the San Jose J.C. tennis team, held in San Jose on March 30. The Hartnell squad shut out the San Jose team 9-0. The next match will be against MPC Saturday, April 6.

The results of the Hartnell-San Jose J.C. match are as follows:

(1) Don Shirk d. Louie Aubert, 6-0, 6-0; (2) Don Cowan d. Tom Holland, 4-6, 6-1, 6-1; (3) Don Wright d. Armando Moreno, 6-3, 6-4; Paul Somera d. Joe Traina, 6-3, 6-3; (5) Doug Addison d. Harvey Corbin, 6-0, 6-2; (6) Bob Iwamasa d. Bob Turville, 7-5, 6-1.

In the doubles, Shirk-Cowan d. Holland-Aubert, 6-1, 7-5; (2) Iwamasa-Addison d. Traina-Moreno, 6-2, 9-7; (3) Wright-Somera d. Corbin-Turville, 6-0, 6-0.

Local Track Team to Play Host To MPC, Menlo JC Here April 6

Menlo Junior College and Monterey Peninsula College will provide the opposition for a powerful Hartnell track team in a conference meet to be held here tomorrow, April 6.

The events will start at 10:30 in the morning.

A local victory will depend on continued fine performances by high-jumpers Ron Ross, Terry Wallace and Joe Bass, speedsters Ray Perez, Don Pittman, Lauren Thomas, Bob McDowell, Ricky Axe, Bob Kennedy and Jim Dunson, shot-putter Merv Anderson, pole-vaulters Ivan Hartsell and Melvin Kelly and distance runner George Harris.

Ross, Perez and Anderson all snared first place prizes in the stiff competition at the recent five-way meet at Stanford, and should finish at the top again in tomorrow's meet.

Hartsell and Kelly have been tying each other in the pole vault event, and have either won or tied for top honors in the meets held to date.

Coach Ed Adams stated that the men were in "fine shape," and predicted a local victory tomorrow. He reported that little is known about the strength of the Menlo group, but that even if they do field a strong team, victory should come this way by sheer numbers if nothing else.

MPC WEAK

Past performances of Monterey Peninsula College, perennial rivals of Hartnell, indicated that they would provide little competition and that competition would be in a few select events.

JIM'S GYM GEMS

Congratulations are in order to Jim Mastin, the ex-USF cager who is now enrolled here at Hartnell College. Mastin, although playing on a losing team, was named last week to the All-Gonzales Tourney Team.

Mastin averaged 21 points in each game that he played in the invitational affair and will be seen in Panther uniforms come next year.

Football Coach Ken Blue will use Mastin as an end during the pigskin season and G. Ed Adams will utilize his basketball talents when the round ball is in order.

A complaint has been submitted to this column by one Gary Young from Hollister. It so happens that student Gary won the miniature golf contest that was held for the Hungarian Relief Fund, and he did not receive his tremendous prize of one synthetic-leather wallet.

Now it seems to us that if a fella goes to all the trouble of paying one tenth of a dollar, plays his heart out on a tough obstacle course, and valiantly comes out on top with the lowest score, he should be compensated for this strenuous physical ordeal.

Speaking of strenuous physical ordeals, we were literally "forced" to take photographs of Dorothy Middaugh's modern dance class for women last week.

All went well until this shutterbug suggested a shower-room picture.

— J. Z.
